

Sun City Center Bat Registration Application - print this form

Sign your name to indicate you have read, understood and will follow all bat guidelines listed below.
Bring this form to the field on dates / times indicated in the email.

X _____ print name _____

Before you submit your bat for approval, be aware that the approval of your personal bat is a privilege extended to you, not a right. Club bats are available to all players. The club will approve bats which meet the criteria listed below.

By submitting a bat for approval, you are stating that the bat is not altered nor will it be altered, from its original performance level in any way, including but not limited to: rolling, shaving, disguising with stickers or bat wraps or painting or using sources such as sun boxes, heat packs, etc to improve performance.

It is the responsibility of all bat owners and users of personal bats to ensure the bat is legal.

Before you submit your bat for approval:

1. Make sure your bat is an ASA logoed slow pitch softball bat. The ASA logo is an imprinted integral part of the bat's design, not an add on. The logo and any serial numbers/names must be legible on your bat.
2. On the club website, review all disapproved ASA logoed bats. These were legal at one time but the ASA's approval of these bats has been withdrawn. We follow ASA bat guidelines.
3. Check your safety grip. It must be cork, composite material or tape. No smooth tape such as, electrical, duct, duck, plastic, etc is permitted.
4. Remove all add ons that did not come with your bat when new. These include but are not limited to: name tags, old club stickers, old tape you used to ID your bat, tournament or league approval stickers, rotational tape, flames, animals, political bumper stickers or other decorations etc.
5. Clean a 6" circular area above your safety grip using soap and water or alcohol. Don't use chemicals as the new approval **Yellow** tape that will surround your handle may not stick. Dry the area to receive a new sticker. Senior bats for women and 78+ men will receive **Pink** tape and may be registered by anyone.
6. Each bat will be engraved with a 2 or 3 digit ID number.
7. **DO NOT FILL OUT INFORMATION BELOW. BRING THIS FORM TO THE FIELD**
